Chart Structure:

- Level 1: A large central box with a dashed border and a star above it, labeled '#'. To its right is a box labeled 'First person on chart no.' with an arrow pointing right. Below this box is a star and a cross symbol.
- Level 2: Two boxes connected to the first level. The right one is labeled '#', has a star above it, and is labeled 'First person on chart no.' with an arrow. Below it is a star and a cross symbol.
- Level 3: Four boxes connected to the second level. The right two are labeled '#', have stars above them, and are labeled 'First person on chart no.' with arrows. Below them are stars and cross symbols.
- Level 4: Two boxes connected to the third level. The right one is labeled '#', has a star above it, and is labeled 'First person on chart no.' with an arrow. Below it is a star and a cross symbol.
- Level 5: Two boxes connected to the fourth level. The right one is labeled '#', has a star above it, and is labeled 'First person on chart no.' with an arrow. Below it is a star and a cross symbol.
